SUMMARY

With over 3 years of hands-on experience in web development, I am proficient in HTML, CSS, JavaScript, jQuery, Bootstrap, Tailwind, React JS, React TypeScript, PHP, Python, PostgreSQL, and SQLite. I have successfully developed and maintained multiple web applications, ensuring high performance and responsive design. My experience with modern frameworks like ReactJS and Tailwind allows me to create dynamic and user-friendly interfaces, while my proficiency in back-end technologies such as PHP and Python ensures robust and scalable solutions. I am excited about the opportunity and look forward to contributing to your innovative team.
